Please support your answer with evidence from the right Juzuh of the Quran; indicating the number of the Surah followed by the number of the Ayah, such as: 14:32. No need to write the text of the Ayah, unless it is required.

Unless otherwise indicated, for each one of the 30 questions, you NEED to look for your answer in the Juzuh that carries the same number of the question. Example: To find the answer to question number 8, you need to look for the answer in Juzuh number 8. An answer from a different Juzuh will not be accepted even if it is correct. The idea is to be familiar with the whole Book of Allah. You may need to consult some Tafseer books.
